Customers have also chosen the DS-65 with the IN-600

By using a folder inserter, you eliminate manual folding and inserting of documents into envelopes. The DS-65 folder inserter is able to quickly and automatically process all standard mail management services as well as direct marketing applications.

We've Got You Covered

Neopost customer support is there for you with our contact centre and trained technicians who are ready to assist you. We are dedicated to providing you

with world class customer satisfaction and offer automatic diagnostics with our product line.

By uploading systems data, we will be alerted if you are having trouble. This remote access to your system allows us to analyse the situation remotely and then fix it accordingly.

Why Choose Neopost?

Neopost is a global leader in mailing solutions, shipping services and digital communications. We believe that people are the key to business success. That's why our products and services are tailored to help your organisation improve the quality of its interactions and bring people closer together.

In this age of multi-channel communications, we guide and empower you to interact in new and innovative ways. We advise you on how to create cost-cutting synergies. And we deliver global coverage with a strong local presence, offering you continual support by phone, on-site or online.

Today, Neopost is present in 31 countries and has a network of partners in more than 90 countries. We promote responsible business and sustainable development through our products and outreach programs. And our 6,200 employees worldwide are committed to making your interactions more responsive and more powerful - offering you a competitive edge that will open up a wealth of business opportunities.

Versatile mailroom system

When it comes to getting a job done, thriving businesses count on reliable processing that adds value and streamlines performance. Neopost's IN-600 delivers practical solutions that offer maximum versatility to give you the results you need.

With state-of-the-art technology and **myneopost** online services under your control, you'll be sure to have the best solution to meet your requirements.

The whisper-quiet IN-600 is highly featured and easy to operate. You'll appreciate the sleek ergonomic design that saves you space and easily integrates into your business environment.

Pricing your mail has never been easier

Don't be confused by postal rates. Let the IN-600 Rate Wizard give you a hand so you don't have to be a postal expert. Whatever rate you need is in the IN-600 and, save even more time by eliminating keystrokes when you select the mail class you need from the shortcut keys menu.

From single envelopes to larger packages, you'll have the flexibility you need to weigh and manage your mail with ease.

Give the right impression

Promote customer relations with printed messages that enhance the professional image of your organisation. Select advertising slogans to reinforce the communication to your customers.

Reliable processing, simple and fast

Hands free, automatic envelope feeding

Space saving weighing platform

Whisper-quiet operation

myneopost online services

Easy-to-use operational control

An intelligent operating panel puts even the occasional user in control with a simple-to-use navigational menu.

Eliminate errors and improve productivity with a host of smart functions and effortless menu prompts that deliver the extensive features of the IN-600.

Complete your NEOPOST Mailing Solution with our new Business Apps and start managing your Mailing & Reporting from one centralised interface!

Take control of your postage expenses with NeoStats.

With flexible reporting at your fingertips, monitoring and controlling postage expenses has never been easier.

- **Save time** and **eliminate errors** often seen with manual postage reconciliation;
- Create **spreadsheets** and **colourful graphs** in minutes;
- Track mail expenses and recoup costs through chargeback.

With **NeoSlogan**, improve the impact of your mailpiece using one of the Free of charge library images

Choose from a collection of NEOPOST slogans

Designing the Most Ecological Solutions

The **IN-600** carries the Neopost eco-label – proof of our commitment to eco-design our products.

- Our optimised packaging* is 100% cardboard and recyclable
- The IN-600 complies with the latest EnergyStar® Standard using **3.4W** on sleep mode**

- Our products are at least 74% recyclable

* Volume of packaging/Volume of product is around 2,3

** Total energy consumption is 31kWh/year

IN-600

Innovation Driven by Our Experience

1. High Productivity

Optional Automatic feeder adjusts to sort mail by size and thickness. Self-aligning rollers prevent jams or misprints (optional).

3. Connectivity

Connect with high speed LAN and get the latest postal rates, software updates, ink alerts & remote diagnostics.

2. Straightforward

Shortcut keys help you speed your mail processing for maximum ease-of-use.

4. Large Weighing Capability

Handle large C4 envelopes, and any size of parcels with the 30 kg scale option.
